

Personalised care you can trust.

SPECIALIST IN LIVE-IN CARE PROVIDER THROUGHOUT
YORKSHIRE AND SURROUNDING COUNTIES.

Amflo Care Services Carers are here to support you to do a wide range of activities, from daily errands, meal preparation and shopping. Our care package also includes cleaning, medication administration and management.

Rest assured knowing that there is another person in the house who can assist you in any case of unanticipated need or emergency.

OUR LIVE-IN CARE SERVICES

We offer round the clock, superior and quality support and companionship to you or your loved one. Our Carer will move in with you, delivering bespoke care services and support.

Our care plans are exclusive as they meet more than just your physical needs but also your goal and interest. This gives space for internal growth, autonomy and peace of mind.

We are available 24/7 throughout the year to assist you or your loved one to live independently in the comfort of your home.

PERSONAL CARE

Your Carer will help you maintain your outlook in a dignified manner. They will assist with bathing, dressing, continence and shaving.

MEAL PREPARATION AND NUTRITION.

Your Carer will cook for or with you nutritious meals and help you maintain a healthy diet to suit your specific dietary needs.

ASSISTANCE WITH MEDICATION

Get reminders to take your medication or medical appointments. Your Carer will also accompany you to the Doctor or go to the pharmacy with or for you.

HOUSE-KEEPING & SHOPPING

Your Carer will help you maintain your home tidy by sweeping, mopping, doing dishes, doing laundry and ironing. Carer can also accompany you to or do shopping with you.

How we support you.

WHY CHOOSE US

OUR CARERS

We take great pride in our Carers who are friendly, compassionate and committed to assist not only you but your families.

OUR ASSESSMENTS

Our one on one assessment determines what care services you require. We set this meeting at the time of your convenience.

SAFETY FIRST

Our goal is to improve the safety with-in your home be it removal of hallway obstacles to adjusting arrangement of everyday items.

ENCOURAGE FEEDBACK

We continuously monitor our operations to make sure that we are providing you with the best care as we expressed in our objectives. This is done by getting feedback from you, your friends, family and Carers.

CONSTANT IMPROVEMENT

At Amflo Care Services, we commit to deliver high quality support and constant improvement of our service.
